## Hamburg port receives COSCO new buildings at HHLA

The **Port of Hamburg** receives the first of a total of eight 13,380-TEU COSCO new buildings at HHLA's Container Terminal Tollerort

Only delivered at the end of February, the recently completed containership COSCO BELGIUM will be berthing in Hamburg on 11 April. Operating under the Hong Kong flag, this ULCC is 366 metres long, 51 metres wide and when fully loaded has a draft of 15.5 metres.

She is the first of altogether eight 13,380 TEU (20-foot standard container) vessels ordered by COSCO from the Chinese NACKS shipyard in April 2008. Designed to fulfill the latest environmental standards, this series of new buildings represents the largest ship type so far built by any shipyard in China. By 2014 all newbuildings will be delivered.

## Emirates to start services to Stockholm

Expanding its presence in Scandinavia, Emirates has announced that it will begin operating a daily flight to Stockholm, Sweden from 4<sup>th</sup> September 2013.

Consistently voted in the world's top ten places to live and work, Stockholm is famous for offering visitors a links already in place, trade between the UAE and Sweden reached more than USD896 million in 2012, an increase of 4.3 percent from 2011

See you next month.
