## Railway Service From China to Europe

The China-Europe rail service rolled into the UK earlier this year for the first time, carrying goods for some major retailers – including Tesco. It starts from Yiwu and pass through 10 countries along the way.

### The Ancient Silk Road

More than 2,000 years ago, a network of trade routes from China to Europe via Asia and the Arab world, the Silk Road played a significant role in shaping political and economic relations between countries located along the route.

### The Modern Silk Road

Benefit from the One Belt One Road initiative, China currently has 39 rail lines to Europe. They start from 16 cities in China, arrive in more than 8 countries, 13 cities, building up a modern Silk Road.

### China-Europe Express Routes

The main loading port of China is Zhengzhou, Wuhan, Suzhou, Yiwu, Chongqing, Chengdu, Changsha. The commodities include Textiles, Household Appliances, IT products , Foods and Auto Accessories. The Destination of the routes covered Warsaw, Moscow, Brest, Malasewicze, Hamburg, Duisburg,

# Railway Service Brief

## Zhengzhou - Hamburg

Zhengzhou, a business and logistic center in Central China, has started rail service to Hamburg, Germany. The train takes 18 days to make the 10,214-kilometer trip. The frequency is every Tue/Thu/Sat, and the container types include LCL container, 20GP&40GP& 40HQ, Garmentainers and OT containers.

## Chongqing - Duisburg

The railway begins in Chongqing, crosses the border into Kazakhstan at Alashankou, and passes through Russia, Belarus and Poland before reaching its terminus in Duisburg at the heart of Europe. The Frequency is every Tue/Thu, and only 40 HQ is applicable for the time being. The transit time is 14 -16 days only.

## Yiwu - Madrid

The train from the Chinese city of Yiwu to Madrid, covering a record breaking journey of 13,052 kilometers has arrived in the Spanish capital. The train named Yixinou , covering a distance longer than the expanse that separates North Pole from the South. The frequency of the train is Wed/Fri per week , and only accept LCL shipment & 40HQ containers.
